

## Website Privacy Notice

### Applicability

This privacy notice applies only to the IUPUI Campus Health (<http://health.iupui.edu>) and explains our practices concerning the collection, use, and disclosure of visitor information. Visitor information collected by IUPUI Campus Health will be used only as outlined in this privacy notice.

Other units at the university may collect and use visitor information in different ways. Therefore, visitors to other university websites should review the privacy notices for the particular sites they visit. IUPUI Campus Health is not responsible for the content of other websites or for the privacy practices of websites outside the scope of this notice.

### Changes

Because Internet technologies continue to evolve rapidly, IUPUI Campus Health may make appropriate changes to this notice in the future. Any such changes will be consistent with our commitment to respecting visitor privacy, and will be clearly posted in a revised privacy notice.

### Collection and Use

#### Passive/Automatic Collection

When you view pages on our site, the web server automatically collects certain technical information from your computer and about your connection.

This website is hosted on [Webserve](#), a shared web-hosting environment provided by IU's University Information Technology Services. For more information about privacy practices related to Webserve, read the [Webserve Privacy Notice Supplement](#).

In addition to any information collected by Webserve, our server and/or site does not collect any technical information from your computer or about your connection.

Continued use of our website indicates consent to the collection, use, and disclosure of this information as described in this notice.

This technical information is not retained or utilized.

#### Active/Manual/Voluntary Collection

We will not attempt to collect any information from you through the use of forms or other type of manual input.

#### Information Usage

This information is:

- used for internal review and is then discarded
- used to improve the content of our site

- You will only receive the information for which you provided us your address.

### Information Sharing

We do not share any aggregate, non-personally identifiable information with other entities or organizations.

We do not share any personally identifiable information with other entities or organizations, except when legally required to do so, at the request of governmental authorities conducting an investigation, to verify or enforce compliance with the policies governing our website and applicable laws, or to protect against misuse or unauthorized use of our website.

Except as described above, we will not share any information with any party for any reason.

Except as provided in the Disclosure of Information section below, we do not attempt to use the technical information discussed in this section to identify individual visitors.

### Cookies

A **cookie** is a small data file that is written to your hard drive that contains information about your visit to a web page. If you prefer not to receive cookies, you may configure your browser not to accept them at all, or to notify and require approval before accepting new cookies. Some web pages/sites may not function properly if the cookies are turned off, or you may have to provide the same information each time you visit those pages.

Our site does not use cookies to store information about your actions or choices on pages associated with our site.

### Children

This site is not directed to children under 13 years of age, does not sell products or services intended for purchase by children, and does not knowingly collect or store any personal information, even in aggregate, about children under the age of 13. We encourage parents and teachers to be involved in children's Internet explorations. It is particularly important for parents to guide their children when they are asked to provide personal information online.

### Use of Third Party Services

Our website does not utilize any types of services provided by third parties.

### Disclosure of Information

We may share some aggregate information with other appropriate university personnel and units to ensure the quality, functionality, and security of our website/application.

Any other disclosure—with appropriate external parties such as law enforcement agencies—will be done in accordance with all applicable laws and university policies in order to investigate and respond to suspected violations of law or university policy.

### Security

## CAMPUS HEALTH

INDIANA UNIVERSITY-PURDUE UNIVERSITY

Indianapolis

Due to the rapidly evolving nature of information technologies, no transmission of data over the Internet can be guaranteed to be completely secure. While we are committed to protecting the privacy of our visitors, we cannot guarantee the security of any information that you transmit to university websites, and you do so at your own risk. However, once we receive your information, we will use reasonable safeguards consistent with prevailing industry standards and commensurate with the sensitivity of the data being stored to maintain the security of that information on our systems.

In addition, we will comply with all applicable federal, state and local laws regarding the privacy and security of visitor information.

We have appropriate security measures in place in our physical facilities to protect against the loss, misuse, or alteration of information that we have collected from you at our site.

### Privacy Notice Changes

From time to time, we may use visitor information for new, unanticipated uses not previously disclosed in our privacy notice.

Only data collected from the time of the policy change forward will be used for these new purposes. If you are concerned about how your information is used, you should check back at our website periodically.
